

August 26, 1997

To whom it may concern:

Deano the Magic Man was hired by QC Data Ltd. in August of 1997 a to perform at our annual family picnic. Deano provided magic tricks and entertainment for approximately 40 children.

We were very pleased with Deano's performance and feel it was very well received by both adults and children alike. We would not hesitate to use him again at future family events hosted by QC Data.

We would recommend Deano the Magician to any group interested in hosting family oriented events.

Sincerely,  
**QC Data Ltd.**
