Dear Deano:

We would like to take this opportunity to thank you for your very personable and professional performance at our Alberta Student Awards Ceremony on Sunday, October 14, 2001. Not only were the children thoroughly captivated by your performance but by the looks on many of the parents faces, they too were surprised and amazed. We particularly enjoyed the fact that you interacted with all the children and encouraged them all to give you a hand with your magic tricks. Your approach was very clever.

Once again, thank you for making this day even more special for our award recipients. Without a doubt you deserved the Parent's Choice Award in 2001 for the Best Local Children's Entertainer.

Yours truly,
