To Whom It May Concern:

Deano the Magic Man entertained approximately 400 people, ages 0 to 60, at Canadian Regional's 1998 Children's Christmas party. The rapt attention and loud enthusiasm shown for Deano's show, clearly proved that we had made an excellent choice for the entertainment portion of the party.

I highly recommend Deano to anyone who is looking to entertain a group of people anywhere within the above mentioned ages. His versatility appeals to all.

Sincerely,

Donna Moreton
